Dear Parents and Guardians,

As the 2017-2018 school year begins to wrap up, we have begun the scheduling process for next year. Certain classes at BCMS have different options and in order for us to create your child's schedule we would like you to complete a course selection form. Course selection varies a little for each grade level so please use the information below to guide you and your children in the selection process.

- ★ **Incoming 6th graders:** Students who will be 6th graders in September need to select their Enrichment Block: Band, choir, strings or interest clusters (ICE) are the four choices. Students who choose ICE will also be asked to make their marking period 1 ICE course selection. **Click [here](#) to go to the course selection form.**

- ★ **Incoming 7th graders:** Students who will be 7th graders in September need to select their Foreign Language: French or Spanish are the two choices. If your child currently has an IEP, this selection was addressed during a meeting this year. If you have any questions about this selection, please reach out to your case manager directly. **Click [here](#) to go to the course selection form.** (Please note: 7th grade students don't need to choose their enrichment block** because they did so last year. All enrichment block choices from last year will be rolled over). **If your child is an ICE student, click [here](#) to also make the marking period 1 ICE selection.**

- ★ **Incoming 8th graders:** Foreign Language and Enrichment block** selections will roll over from the previous year. **However, if your child is an ICE student, click [here](#) to make the marking period 1 ICE selection.**

If your child is entering 7th or 8th grade and would like to **change their Enrichment Block selection for the 2018-2019 school year, please email Mr. Ross with the change. Please include "Enrichment Block Change" in the subject line.**

Any general questions regarding course selection or scheduling for next year can be addressed by our guidance counselors or Mr. Ross using the contact information below.
